To all Members

Welcome back to The City and County of Bristol Indoor Bowls Club Ltd. We are a limited company with Community Amateur Sports Club status which means we are a non profit making organisation, all monies are invested in the running and improvements of our facility and the sport of bowls. The Board currently of 4 members meet once a month to make decisions regarding the operation of the club. At the present time the club has 3 employees, the club manager, 2 part time with franchises for the bowls' shop and catering.

External companies are contracted for major works whilst all other aspects of the club are coordinated and undertaken by volunteers.

In becoming a member you are joining a large family who all enjoy the sport of bowls and are willing to donate some time towards looking after our club.

More information is available at reception and on the website to help you to understand how the club operates including Club Rules and Etiquette.
